How do I set the time on the Current Cost Envi?

1. Press and hold the "OK" button until the red light below flashes.
2. Using the up and down arrows set the hours (using the 24 hour clock).
3. Press "OK".
4. Using the up and down arrows set the minutes.
5. Press "OK"
6. The time has now been set on the CurrentCost Envi.
