Gadgets

How do I set the time on the Current Cost Envi?

- 1. Press and hold the "OK" button until the red light below flashes.
- 2. Using the up and down arrows set the hours (using the 24 hour clock).
- 3. Press "OK".
- 4. Using the up and down arrows set the minutes.
- 5. Press "OK"
- 6. The time has now been set on the CurrentCost Envi.
